Charlie Bradley III

Senior UX / UI Designer
Greater Houston

Summary

I am a seasoned design professional with 20 years of creative experience. My range of design expertise includes print, digital and web design. I enjoy the UX design process; user research, competitive analysis, sketching, and whiteboarding concepts, creating wireframes at various levels of fidelity, and building them into working prototypes. I also have some front-end coding experience. I thrive in collaborative environments and enjoy working with my teammates to create solutions. I am an analytical thinker, intuitive problem solver, and creative designer.

Some of my UX design skills include: UX Research, Storyboarding/ Whiteboarding, UI, Branding, Figma, Sketch, InVision, Material UI, Wireframing, Prototyping, User Flows, Sprint & Journey Mapping, Usability Testing, Personas, Slides, Miro. Adobe Creative Cloud: Illustrator, Photoshop, Indesign, Adobe Acrobat

Some of my other design skills include: Quark Xpress, AdWatch, Breeze, Powerpoint, Publisher, Excel, Pre-Flight, Layout, Logo Design, Illustration, Photography, Composition, Typography, Color Theory, Photo Correction and Manipulation

Some of my Web development skills include: WordPress, HTML5, CSS3, ReactJS, NGINX, Git, VSCode, RESTful APIs, MySQL, PHP, Laravel
